Corporate Social Responsibility

We take our corporate social responsibilities ("CSR") seriously. Management is committed to advancing policies and systems to ensure that aspects of CSR are implemented and monitored.

Cotswold uses only **RECYCLED** polyester in all our products and **BCI Cotton** where possible.

These include ethical behavior, concern for employee health and safety, care for the environment and community involvement.

Driven largely by technological innovation, we strive to reduce dependency on natural resources by being more efficient.

Cotswold Asia takes pride in the people we employ as their talents and skills are our main assets.
